### **Uses Made Of Your Personal Information**

We gather information to allow us to administer, support, and obtain feedback on our services, to identify and prevent faults with our services and the Site, to improve the services offered by us, to ensure we are maintaining adequate security measures, to prevent any security breaches of our Site, and to keep clients informed of products and services that may be of interest to them.

We may also use this information, for research and analysis purposes such as monitoring website usage in order to help us develop the Site and improve our services.

### **Further Uses Of Your Personal Information; Marketing**

In addition we may process your personal data for marketing purposes and there are several ways in which we may use the personal information you have provided to us, including the following:

- We may contact you about services to which you do not subscribe which we think may be of interest to you;
- We may wish to provide you with information about special features of our Site that we think may be of interest to you;
- We may provide you with information from our affiliates which we think may be of interest to you;
- We may invite you to client functions or entertainment events; and
- The above contacts may be via email, fax, post and/or telephone.

If you do not want us to use your personal information in this way, as an on-line subscriber, you may update your account to amend your marketing preferences at any time.

### **Disclosure of your information**

We will not without your consent disclose to third parties any individually identifying information, such as names, postal and e-mail addresses, telephone numbers, which you have provided to Novox Capital Ltd. In some circumstances, we may pass on information to third parties such as our professional advisors, administrators or subcontractors, or to licensors of the software used on the Site. We may also disclose your personal information to third parties if we are under a duty to disclose or share your personal data in order to comply with any legal obligation, or in order to enforce or apply our Site Terms and Conditions.

## **Your consent**

By submitting your information, you consent to the use by Novox Capital Ltd. of that information, as set out in this policy. By accessing and using this you are acknowledging that you have read, understood and agree with this privacy policy. We reserve the right to change our privacy policy from time to time and will update this page accordingly. Please review our policy as often as possible – your continued use of the Site will signify that you agree to any such changes.

The Site may, from time to time, contain links to and from the websites of our partner networks and affiliates. If you follow a link to any of these websites, please note that these websites may have their own privacy policies and that we do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data to these websites.

## **How we protect your information**

Novox Capital Ltd. may store your information in its databases for reference in order to answer queries or resolve problems, provide improved and new services and to meet any legal data retention requirements. This means we may retain your information after you stop using the Site or our services or otherwise interacting with us.

All information you provide to us is stored on secure servers. The transmission of information via the internet is secured using Secure Socket Layer (SSL) technology with high security 128bit encryption. However we have put in place various security procedures as set out in this policy. Once we have received your information, we will use procedures and security features to try to prevent unauthorized access.

## **Failure to Provide Personal Information**

You have a choice to supply any or all of the personal information required. However, missing information may result in Novox being unable to open or maintain your account and /or to provide you with our services.
